In the case of equal postal bids the first received will purchase the lot. Odd bids will be rounded down to the next lowest increment. Buy or buy-at-best bids will not be accepted. Please note that the price in the final column against each lot is a reserve price and bids below this level will not be considered.

You may Email bids to stevenewmn@aol.com or use the bid form on our website:

www.stampersham.org.uk

You may telephone your bids but you must confirm them in writing before the start of the auction

4) Payment:

In the auction room: by cash or by cheque at the conclusion of the auction.

Postal bidders: we prefer that you enclose a cheque, dated for the day of the auction drawn in favour of Amersham and District Philatelic Society with the amount left blank but endorsed 'not to exceed (the value of the sum of your bids plus £5 for postage and packing)', with your bid form; this will ensure priority despatch. Alternatively we will send you a proforma invoice and lots will be despatched to you on clearance of the remittance against the proforma. Postage and packing will be charged at cost. We will use second class mail to despatch your lots unless you specify otherwise. If the pp costs will exceed £5 the Auction Secretary will get in touch with you.

5) Disputes: Any dispute concerning the genuineness or description of a purchased lot must be notified to the Auction Secretary in writing within ten days of the receipt of the lot. It is the purchaser's responsibility to demonstrate the disadvantage of the transaction.

6) Queries: All queries should be addressed to the Auction Secretary. If using the post a stamped, addressed envelope for reply would be appreciated.

7) Viewing: Viewing in the hall on the night of the Auction. Earlier viewing of any lot can be arranged. Scans of individual items can be sent by email.
